

## **Therapy Professionals Ltd**

Physio, Speech Language, Music,  
Occupational Therapists & Dietitians

### **Physiotherapist – Part time, Permanent Therapy Professionals Ltd Christchurch, Canterbury**

If you are returning to work, have young children or want to work just a little, this could be the ideal job.

We are a community based trans-disciplinary therapy business, working with people of all ages who have disabilities.

Our services include - assessment and treatment; client and carer education; supervision and safety in the home and workplace.

We seek experienced NZ Registered Therapists who are able to work autonomously and enjoy working flexibly within a team environment.

Experience should include work in some of the following areas:

- care of the elderly
- children
- intellectual and physical disabilities

Applications closing date: 11 January 2021. Please send a copy of CV to:
