

# Therapy Professionals Ltd

Physio, Speech Language, Music,  
Occupational Therapists & Dietitians

## World Down Syndrome Day 21 March 2018

Therapy Professionals Ltd has been providing therapy services to people with Down Syndrome since 1985. We understand their physical and social needs. Those with Down Syndrome are living longer and we now understand the effects of ageing on them. A major issue is premature ageing.

If you know someone with Down Syndrome who's struggling with age related issues we can help.
